## **ORCHARDLEA** **- FOODS -**

### **Welcome to Orchardlea Foods,**

We are a family-run business based in Exeter that supplies high-quality retail and bulk wholesale food products with a strong emphasis on locally sourced ingredients. We offer an extensive range of delicious cheeses, meats, dairy, savouries, and more, all carefully selected from small local producers and family businesses to create a unique array of quality local food and drink.

At Orchardlea Foods, we are committed to supporting our local community by providing a platform for small businesses to showcase their fantastic range and expand their delivery areas and sales. By doing so, we are able to offer our customers a unique and authentic taste of the Southwest.

We deliver throughout the Southwest, Monday to Friday, and can supply single units, larger quantities and bulk cuts of our cheeses and meats, as we pack in-house.

In 2020, we launched our own brand of olives 'West Country Olives,' which have been a huge success. We produce and package these olives by hand, using only the finest local ingredients such as Bell and Loxton Rapeseed oil and North Devon Chillies. We are proud to offer our wholesale customers a discounted rate on our 13 delicious flavours, four of which won Taste of the West GOLD awards and two Food Drink Devon awards last year.

Our olives are available in both 175g retail size packs and 1kg bulk sizes, making them perfect for Delis, farm shops, bars, cafes, and restaurants. A leaflet enclosed with further details will be available. In addition to our olives, we have recently launched our own range of tapas-style deli pots called 'Orchardlea Deli,' which includes sundried tomatoes, stuffed vine leaves, borettane onions, and more. We are always looking to expand our range, so stay tuned for more exciting products from Orchardlea Foods!

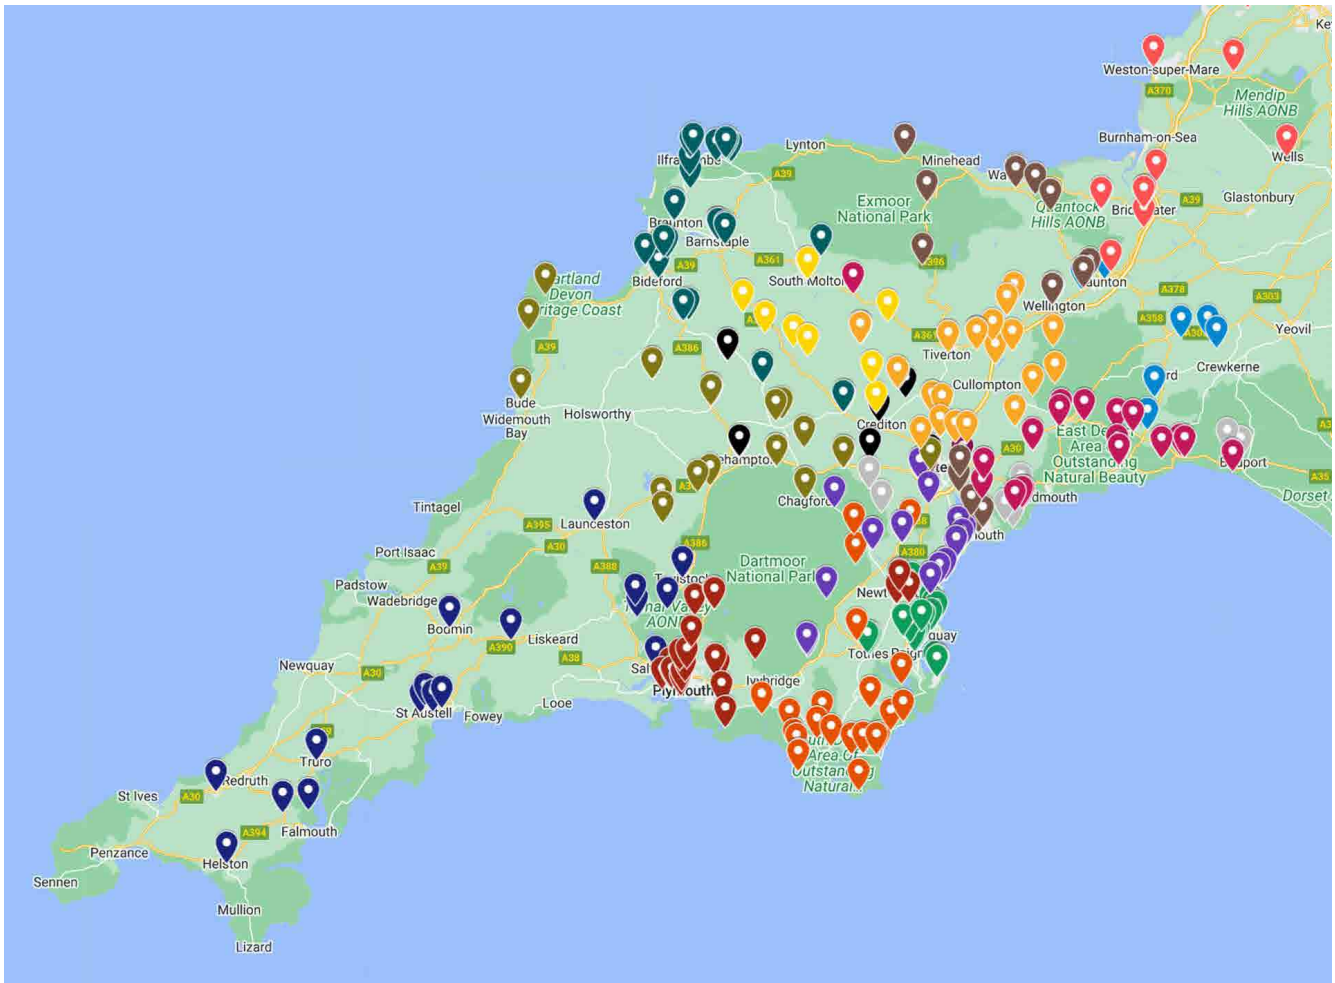

## Do we deliver to your area?

Our delivery service covers a wide area in the South West, including Cornwall, Devon, Somerset, and Dorset. Using our own fleet of delivery vans, we make deliveries from Monday to Friday. Check out our delivery map below to find where our vans currently deliver.

**Please Note:**

For best availability, orders must be placed by 1pm the day before delivery.

# Curworthy Cheese

Traditional farmhouse cheese made in Devon

Curworthy Cheese has been made in mid Devon for 30 years, using rain and humidity to grow grass from a single herd at Dunstaple Farm. It's full-fat, preservative-free and has a light, creamy taste when young and mellow flavor when aged. You can find it in various sizes and our new soft cheese, Devon Maid. Get it at specialty cheese shops, farmers markets, shows in the South West, and online. Taste a true masterpiece!
